

Bike To Work Scheme

The new bike scheme covers bicycles and accessories up to a maximum cost of €1,000. Employees can save Income Tax, levies and PRSI.

The bicycle must be purchased by your employer but the scheme can then operate either with your employer bearing the full cost of the bicycle, or by way of a salary sacrifice agreement (like the existing travel card scheme) in which you pay for it, tax free, over 12 months.

The bicycle must be purchased by your employer but the scheme can then operate either with your employer bearing the full cost of the bicycle, or by way of a salary sacrifice agreement (like the existing travel card scheme) in which you pay for it, tax free, over 12 months.

Please ring Ian George at Cloughjordan's Bicycle Shop (0505 – 42871) for more information.

Intelligent Energy  Europe

The provision of this Travel Information Leaflet and of the GoCar CarSharing Service in Cloughjordan is part of this EU STEER Programme project. Mendes GoCar Limited, which is based in Cloughjordan, is the Irish Partner in PRO.MOTION.
